**NEWS RELEASE**  
**NOT FOR DISSEMINATION IN THE UNITED STATES**

**ALASKA HYDRO CLOSES PRIVATE PLACEMENT**

**April 25, 2012 – Vancouver, British Columbia – Alaska Hydro Corporation** (the “Company”) is pleased to announce the closing of a previously announced non-brokered private placement. The private placement was in aggregate 1,600,000 Units (“the Offering”) at a price of \$0.05 per Unit for total receipt of \$80,000. Each Unit is comprised of one Common Share in the capital of the Issuer (a “Common Share”) and one Common Share purchase warrant (a “Warrant”). Each Warrant entitles the holder to acquire one Common Share (a “Warrant Share”) at an exercise price of \$0.10 per Warrant Share until April 25, 2017. An insider of the Company has participated in the offering.

All securities issued under the Offering will be subject to a hold period of four months in compliance with applicable securities laws and the rules of the TSX Venture Exchange. The Offering is subject to certain conditions including, but not limited to, receipt of all required regulatory approvals.

The net proceeds from the Offering will be used for general working capital requirements.

**About Alaska Hydro Corporation**

The Company is engaged in the acquisition and development of renewable energy projects, focused primarily on hydropower projects in northern climates. The Company owns Cascade Creek, LLC which has been developing the Cascade Creek project located in Thomas Bay near Petersburg, Alaska. The Cascade Creek project is a 70 MW lake syphon hydropower project, the largest private hydropower project being developed in Alaska. The Cascade Creek project would bring additional energy and capacity to the Southeast Alaskan region, with opportunity to export and import excess energy and capacity to and from the Pacific Northwest and Southwest States through a proposed transmission interconnection in British Columbia. Further information regarding the business of the Company and Cascade can be found in the Company’s filing statement which is available at [www.sedar.com](http://www.sedar.com). Interested persons may visit the project’s website at [www.alaskahydro.com](http://www.alaskahydro.com) to view project details and licensing documents. All project documents may be viewed on the Cascade website [www.thomasbayhydro.com](http://www.thomasbayhydro.com) at this time, or on the FERC website [www.ferc.gov](http://www.ferc.gov).

*Certain statements contained in this release constitute forward-looking information. These statements relate to future events or future performance. The use of any of the words “could”, “intend”, “expect”, “believe”, “will”, “projected”, “estimated” and similar expressions and statements relating to matters that are not historical facts are intended to identify forward-looking information and are based on the Company’s current belief or assumptions as to the outcome and timing of such future events. Actual future results may differ materially. In particular, this release contains forward-looking information relating to the Offering, the business of the Company and the Cascade Creek Project. The forward-looking information contained in this release is made as of the date hereof and the Company is not obligated to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by applicable securities laws. Because of the risks, uncertainties and assumptions contained herein, investors should not place undue reliance on forward-looking information. The foregoing statements expressly qualify any forward-looking information contained herein.*
