INFORMATION CIRCULAR
(as at October 12, 2023 unless indicated otherwise)

SOLICITATION OF PROXIES

This Information Circular is provided in connection with the solicitation of proxies by the management of Alaska Hydro Corporation (the “Company”) for use at the annual general meeting of the shareholders of the Company to be held on **Thursday, November 16, 2023** (the “Meeting”), at the time and place and for the purposes set out in the accompanying notice of meeting and at any adjournment thereof. The solicitation will be made by mail and may also be supplemented by telephone or other personal contact to be made without special compensation by directors, officers and employees of the Company. The Company will bear the cost of this solicitation. The Company will not reimburse shareholders, nominees or agents for the cost incurred in obtaining from their principals authorization to execute forms of proxy.

These security holder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the issuer or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

APPOINTMENT AND REVOCATION OF PROXY

Registered Shareholders

Registered shareholders may vote their common shares by attending the Meeting in person or by completing the enclosed proxy. Registered shareholders should deliver their completed proxies to Computershare Investor Services Inc., Proxy Dept., 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1 (Fax: Within North America: 1-866-249-7775 Outside North America: (416) 263-9524) (by mail, telephone or internet according to the instructions on the proxy), not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting, otherwise the shareholder will not be entitled to vote at the Meeting by proxy.

The persons named in the proxy are directors and officers of the Company and are proxy holders nominated by management. **A shareholder has the right to appoint a person other than the nominees of management named in the enclosed instrument of proxy to represent the shareholder at the Meeting. To exercise this right, a shareholder must insert the name of its nominee in the blank space provided. A person appointed as a proxy holder need not be a shareholder of the Company.**

A registered shareholder may revoke a proxy by:

- (a) signing a proxy with a later date and delivering it at the place and within the time noted above;

- (b) signing and dating a written notice of revocation (in the same manner as the proxy is required to be executed, as set out in the notes to the proxy) and delivering it to the registered office of the Company, c/o **MLT Aikins LLP, Suite 2600 – 1066 West Hastings Street, Vancouver, British Columbia, Canada V6E 2X1**, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof at which the proxy is to be used, or to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof,
- (c) attending the Meeting or any adjournment thereof and registering with the scrutineer as a shareholder present in person, whereupon such proxy shall be deemed to have been revoked; or
- (d) in any other manner provided by law.

Beneficial Shareholders

The information set forth in this section is of significant importance to many shareholders, as many shareholders do not hold their shares in the Company in their own name. Shareholders holding their shares through banks, trust companies, securities dealers or brokers, trustees or administrators of self-administered RRSP's, RRIF's, RESP's and similar plans or other persons (any one of which is herein referred to as an "Intermediary") or otherwise not in their own name (such shareholders herein referred to as "Beneficial Shareholders") should note that only proxies deposited by shareholders appearing on the records maintained by the Company's transfer agent as registered shareholders will be recognized and allowed to vote at the Meeting. If a shareholder's shares are listed in an account statement provided to the shareholder by a broker, in all likelihood those shares are **not** registered in the shareholder's name and that shareholder is a Beneficial Shareholder. Such shares are most likely registered in the name of the shareholder's broker or an agent of that broker. In Canada the vast majority of such shares are registered under the name of CDS & Co., the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms. Shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted at the Meeting at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker's clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate party well in advance of the Meeting.**

Regulatory polices require Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Beneficial Shareholders have the option of not objecting to their Intermediary disclosing certain ownership information about themselves to the Company (such Beneficial Shareholders are designated as non-objecting beneficial owners, or "NOBOs") or objecting to their Intermediary disclosing ownership information about themselves to the Company (such Beneficial Shareholders are designated as objecting beneficial owners, or "OBOs").

In accordance with the requirements of National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("NI 54-101"), the Company has elected to send the notice of meeting, this Information Circular and a request for voting instructions (a "VIF"), instead of a proxy (the notice of Meeting, Information Circular and VIF or proxy are collectively referred to as the "Meeting Materials") directly to the NOBOs and indirectly through Intermediaries to the OBOs. The Intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to OBOs. **Management does not intend to pay for intermediaries to forward to OBO's under NI 54-101 the proxy related materials and Form 54-101F7, and that in the case of an OBO, the OBO will not receive the materials unless the OBO's intermediary assumes the cost of delivery.**

Meeting Materials sent to Beneficial Shareholders are accompanied by a VIF, instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a Beneficial Shareholder is able to instruct the Intermediary (or other registered shareholder) how to vote the Beneficial Shareholder's shares on the Beneficial Shareholder's behalf. For this to occur, it is important that the VIF be completed and returned in accordance with the specific instructions noted on the VIF.

The majority of Intermediaries now delegate responsibility for obtaining instructions from Beneficial Shareholders to Broadridge Investor Communication Solutions (“Broadridge”) in Canada. Broadridge typically prepares a machine-readable VIF, mails these VIFs to Beneficial Shareholders and asks Beneficial Shareholders to return the VIFs to Broadridge, usually by way of mail, the Internet or telephone. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting by proxies for which Broadridge has solicited voting instructions. A Beneficial Shareholder who receives a Broadridge VIF cannot use that form to vote shares directly at the Meeting. The VIF must be returned to Broadridge (or instructions respecting the voting of shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the shares voted. If you have any questions respecting the voting of shares held through an Intermediary, please contact that Intermediary for assistance.

In either case, the purpose of this procedure is to permit Beneficial Shareholders to direct the voting of the shares which they beneficially own. **A Beneficial Shareholder receiving a VIF cannot use that form to vote common shares directly at the Meeting – Beneficial Shareholders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.** Should a Beneficial Shareholder who receives a VIF wish to attend the Meeting or have someone else attend on their behalf, the Beneficial Shareholder may request a legal proxy as set forth in the VIF, which will grant the Beneficial Shareholder or their nominee the right to attend and vote at the Meeting.

Only registered shareholders have the right to revoke a proxy. A Beneficial Shareholder who wishes to change its vote must, at least seven days before the Meeting, arrange for its Intermediary to revoke its VIF on its behalf.

All references to shareholders in this Information Circular and the accompanying instrument of proxy and notice of Meeting are to registered shareholders unless specifically stated otherwise.

The Meeting Materials are being sent to both registered and non-registered owners of the Company’s shares. If you are a Beneficial Shareholder and the Company or its agent has sent the Meeting Materials directly to you, your name and address and information about your holdings of the Company’s securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. By choosing to send the Meeting Materials to you directly, the Company (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering the Meeting Materials to you and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the VIF.

The Company is not relying on the notice and access delivery procedures outlined in NI 54-101 to distribute copies of proxy-related materials in connection with the Meeting.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

If a shareholder specifies a choice with respect to any matter to be acted upon, the shares represented by proxy will be voted or withheld from voting by the proxy holder in accordance with those instructions on any ballot that may be called for. In the enclosed form of proxy, in the absence of any instructions in the proxy, it is intended that such shares will be voted by the proxy holder, if a nominee of management, in favour of the motions proposed to be made at the meeting as stated under the headings in the notice of meeting accompanying this Information Circular. If any amendments or variations to such matters, or any other matters, are properly brought before the Meeting, the proxy holder, if a nominee of management, will exercise its discretion and vote on such matters in accordance with its best judgment.

The instrument of proxy enclosed, in the absence of any instructions in the proxy, also confers discretionary authority on any proxy holder other than the nominees of management named in the instrument of proxy with respect to the matters identified herein, amendments or variations to those matters, or any other matters which may properly be brought before the Meeting. To enable a proxy holder to exercise its discretionary authority a shareholder must strike out the names of the nominees of

management in the enclosed instrument of proxy and insert the name of its nominee in the space provided, and not specify a choice with respect to the matters to be acted upon. This will enable the proxy holder to exercise its discretion and vote on such matters in accordance with its best judgment.

At the time of printing this Information Circular, management of the Company is not aware that any amendments or variations to existing matters or new matters are to be presented for action at the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

The Company is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of each of the following persons in any matter to be acted upon at the Meeting other than the election of directors or as otherwise specifically discussed in this Information Circular:

- (a) each person who has been a director or executive officer of the Company at any time since the beginning of the Company's last financial year;
- (b) each proposed nominee for election as a director of the Company; and
- (c) each associate or affiliate of any of the foregoing.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Only those shareholders of record, other than the Company, on October 12, 2023 (the "Record Date") are entitled to attend and vote at the Meeting. .

(3) This percentage represents the percentage of the outstanding common shares not owned by the Company, i.e. the percentage of the common shares having the right to vote.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Interpretation

"Named executive officer" ("NEO") means:

- (a) a Chief Executive Officer ("CEO");
- (b) a Chief Financial Officer ("CFO");
- (c) each of the three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the

end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year; and

- (d) each individual who would be an NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity, at the end of that financial year.

During the financial year ended December 31, 2022 the NEOs were, Cliff Grandison, Chairman, President and Chief Executive Officer and Bob Anderson, Chief Financial Officer.

Compensation Program

The Board of Directors (the “Board”) has formed a compensation committee (the “Compensation Committee”) however the Compensation Committee has only met once and has not established a compensation program. The Board as a whole have decided that due to the Company’s limited financial resources and except for compensation paid or payable to a company controlled by the Chief Financial Officer and disclosed elsewhere in this Information Circular, no payments would be made to the NEO’s and the other officers of the Company. The Compensation Committee will meet in the future to consider these matters and will establish a compensation program in keeping with the Company’s financial circumstances with objectives designed to:

- align the interests of the Company’s executives with the interests of the Company’s shareholders; and
- provide total compensation to executives that will recognize their contributions to the Company.

The Company is a junior company without revenue and all funds raised by the sale of common shares is currently used to fund the development of the More Creek hydroelectric project (the “Project”) and the administration expenses of the Company. As a result, the payment of significant cash compensation to the NEOs and Directors and Officers is not currently appropriate. Further, the use of traditional performance standards, such as corporate profitability, will not be appropriate in the evaluation of the performance of such individuals. These factors, among others, will be taken into consideration in developing the Company’s compensation program. Currently, except for compensation paid or payable to a company controlled by the Chief Financial Officer and to one director for management services and disclosed elsewhere in this Information Circular, the only compensation provided to NEO’s, directors and officers are incentive stock options.

It is intended that the compensation of the NEOs of the Company will be reviewed by the Board at such time as the Company has adequate financial resources. The compensation of the NEOs will be approved by the Board.

Stock Options

The Company has established a formal plan (the “Amended Plan”) under which stock options are granted to directors, officers, employees and consultants as an incentive to serve the Company in attaining its goal of improved shareholder value. The Board determines which NEOs (and other persons) are entitled to participate in the Company’s Amended Plan; determines the number of options granted to such individuals; and determines the date on which each option is granted and the corresponding exercise price. The granting of stock options to executives and senior employees is currently the Company’s only long-term remuneration incentive. The Board makes these determinations subject to the provisions of the Amended Plan and, where applicable, the policies of the TSX Venture Exchange (the “TSX-V”) and the NEX Board of the TSX-V.

Previous grants of option-based awards are taken into account when considering new grants.

CORPORATE GOVERNANCE

Board of Directors

The Board of Directors presently has 5 directors, 4 of whom are independent. If all of the directors are elected at the meeting the Board of Directors will have 5 members, 4 of whom will be independent. The definition of independence used by the Company is that used by the Canadian Securities Administrators, which is set out in section 1.4 of National Instrument 52-110 *Audit Committees* ("NI 52-110"). A director is independent if he has no direct or indirect material relationship to the Company. A "material relationship" is a relationship which could, in the view of the Board of Directors, be reasonably expected to interfere with the exercise of the director's independent judgment. Certain types of relationships are by their very nature considered to be material relationships and are specified in section 1.4 of NI 52-110.

Matthew Bell, a non-executive Co-Chair, Michael Hoole, Gregory Sunell and Russell Ker are considered to be independent directors. Cliff Grandison, the President and Chief Executive Officer of the Company prior to the completion of the Company's Qualifying Transaction (as that term is defined in the policies of the TSX-V) in September 2010 is not independent and is now the interim President, Chief Executive Officer and Secretary.

The Board is responsible for the stewardship of the Company. In fulfilling its stewardship function, the Board's responsibilities will include strategic planning, appointing and overseeing management, succession planning, risk identification and management, environmental oversight, communications with other parties and overseeing financial and corporate issues. The Company has not developed written position descriptions for the Chair and the Chief Executive Officer. Pursuant to the *Business Corporations Act* (British Columbia), directors must declare any interest in a material contract or transaction or a proposed material contract or transaction. During the most recently completed financial year, the Board of Directors met six (6) times and the members of the Board were in attendance at the following number of meetings:

Name	No. of Meetings Attended
Cliff Grandison	6
Matthew Bell	4
Michael Hoole	6
Russell Ker	6
Gregory Sunell	6

Due to the on-going restructuring of the Company there have been no meetings of independent directors without the non-independent members of the Board in attendance during the most recently completed financial year.

Other Directorships

The current directors and nominees of the Company are also directors of the following other reporting issuers:

Current Director / Nominee	Other Directorships of other Reporting Issuers
Cliff Grandison	None
Matthew Bell	None
Michael Hoole	None
Russell Ker	None
Gregory Sunell	None

Orientation and Continuing Education

The Company does not currently have the resources to provide continuing orientation for the directors. Such orientation as may be necessary for new directors, if and when they are elected or appointed, will be provided by existing directors. Specific details of the orientation of each new director will be tailored to that director's individual needs and areas of interest.

Ethical Business Conduct

The Company has not adopted a Code of Business Conduct and Ethics (the “Code”), however the Board of Directors has appointed a nominating and Governance Committee (the “Nominating and Governance Committee”) and has drafted a Code which is still under review. Notwithstanding that a specific Code has not been adopted, the Board promotes honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest.

The Board operates and expects management to operate in a manner that is consistent with the highest level of integrity.

Nomination of Directors

The Board has established a Nominating and Governance Committee, however the Nominating and Governance Committee has not met as yet and it does not have a formal process for proposing new nominees for election to the Board of Directors. The nominees for election or appointment to the Board to date have resulted from the recruitment efforts by existing Board members, including both formal and informal discussions among Board members.

Compensation

The Board has established a Compensation Committee, but Committee has not established a compensation program. The Compensation Committee has held one meeting in June 2022 to consider options to be granted to officers and directors. Currently, the only monetary compensation has been provided to a company owned by Mr. Anderson for his services as Chief Financial Officer and to Mr. Hoole for management services. No compensation was provided to the other directors and other officers during the financial year ended December 31, 2022.

Other Board Committees

The Board has only established the Audit Committee, the Nominating and Governance Committee and the Compensation Committee.

Assessments

The Nominating and Governance Committee will be charged with the responsibility for assessing the effectiveness of the Board as whole.

AUDIT COMMITTEE AND RELATIONSHIP WITH AUDITORS***General***

At the Meeting, shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company for the ensuing year at five (5), subject to such increase as may be permitted by the Articles of the Company. The number of directors will be approved if the affirmative vote of the majority of

The directors of the Company are elected annually and hold office until the next annual general meeting of the shareholders or until their successors are elected, or until such director's earlier death, resignation or removal. The management of the Company proposes to nominate the persons listed below for election as directors of the Company to serve until their successors are elected or appointed.
